

Advertorial guide

In order to display your booked advertorial optimally on the Messekurier website, please send us your data in the following formats only:

Text files:

.txt, .doc, .docx und .rtf

Image files:

.jpg, .jpeg, .png und .tiff

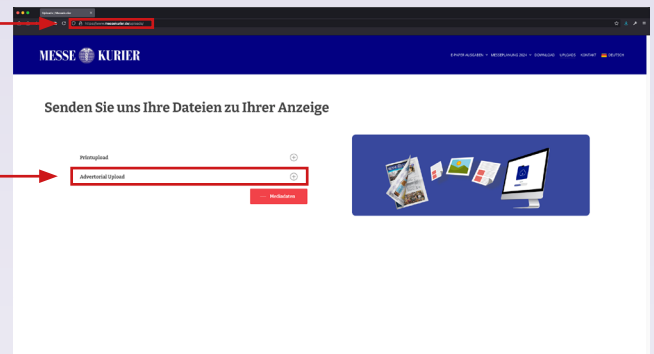

Container files: .zip

Note: PDF files are not accepted.

Data transfer

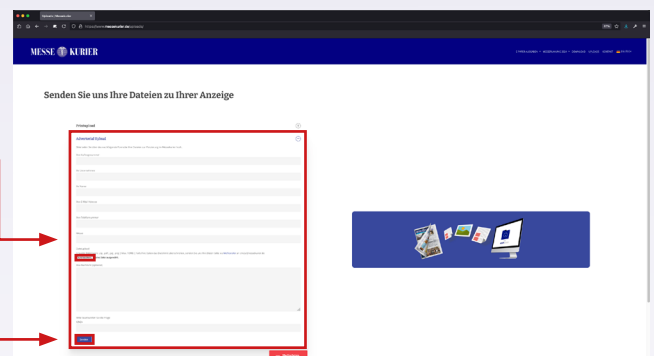

Please transmit your data, such as text files and images, for the booked advertorial via our upload function on the Messekurier website under the following link: <https://www.messekurier.de/uploads/>

Once on the website, please click on the column „Advertorial Upload“.

Please fill in the form you have just opened. To send data from your computer, click on “Browse” and select the desired files on your computer.

Once all fields have been filled in and you have selected files, press the “Send” button.

If your data exceeds the upload limit, please send us your data via WeTransfer to quidde@messekurier.de.
